OTHER DETAILS

- Copper Kitten Inc will not be serving food in our kitchen, but will be serving sweets and water. We will have free snacks for vendors to grab if they want them.
- We will be hosting multiple food truck vendors that serve different types of food to ensure wait lines are low, options are plentiful, and no one gets overwhelmed.
- Food trucks will be located outdoors in gravel/on blacktop and on grass along the grounds surrounding the Community Building and Pavillion Building.

- Wheels need to be chocked.
- All generators need to be in proper working order. Extra fuel needs to be stored in a safe area away from open flames and heat.
- If deep frying you **MUST** have a class K fire extinguisher.
- Food Trucks can start arriving around 6am. We would like to get everyone in their place as early as possible. We will keep communication open on this subject.
- We would love for you to include/add wizard inspired words or names to your menu items. Not required.
- Please offer (non-alcoholic) drinks. We have been to many events where the food trucks did not offer drinks with meals. We will have a water tent set up outside and water in the kitchen, but we **WANT** you to offer drinks (non-alcoholic)!
- Add **Keisha Keen**, event coordinator, on Facebook. You will be added to a vendor group for quick communication. This group is deleted after the event is held and feedback is given. This group is for vendors **ONLY**, do not invite people to the group.
